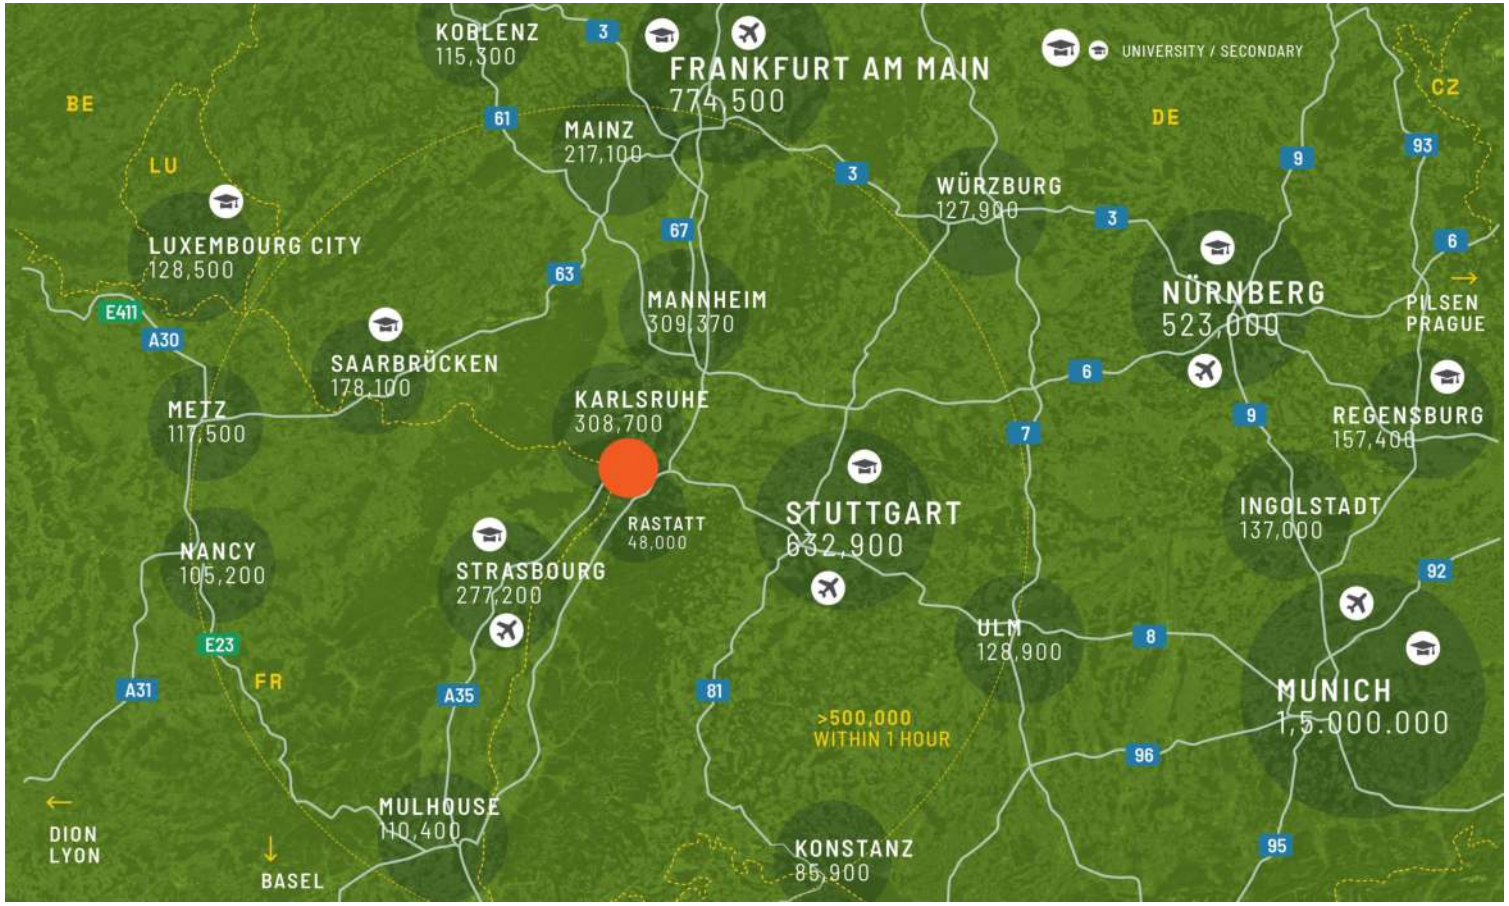
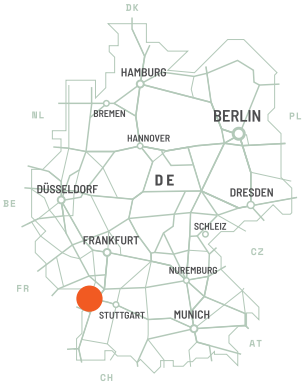
РЕГИОНАЛНИ ПРЕДИМСТВА

Modern business park in a central location

The newly-built business park consists of eight different commercial units. These variable, small and medium-sized units offer flexible space and workplaces for companies and SMEs from Q4 / 2025. Clients will find optimal conditions in the separate office building. The roof areas will be equipped with photovoltaic systems. A central and easily visible entrance with generous space underlines the attractive appearance.





ЛОКАЛЕН ДОСТЪП

Direct highway access to the Prague's market

The business park is located directly on the A5 motorway in a central location. A wide range of space available for a variety of smalller commercial operations such as trades, craftshops, workshops, carpentry—and their diverse requirements.
