REGIONAL BENEFITS

Right next to the international airport

CTPark Budapest Ecser was designed in a true 21st century spirit for dynamic market players. The property has a remarkably favorable, strategic location, both in terms of trade and logistics, as well as the close proximity of the M4 motorway, the M0 ring road, Liszt Ferenc International Airport and the city of Budapest. Thanks to the above, your company will have a prime location for doing business in Hungary and in the CEE region.

- ▶ Immediate vicinity of Hungary's Capital
- ▶ Airport location, logistic hotspot
- ▶ Direct acces to M0 ringroad
- ▶ Constantly evolving infrastructure
