

Group Insider Trading Policy

Effective date : 09 April 2024
Last modified: 19 December 2025
Approved: Board of Directors, 19 December 2025

Introduction

CTP N.V. has its shares listed on Euronext Amsterdam and has eurobonds listed on Euronext Dublin. As a result of the public listing of these securities, CTP Group and its employees are subject to requirements of the MAR and other securities laws.

In short, these requirements aim to ensure that everyone dealing on the stock exchange simultaneously has access to the same information. Insider dealing, unlawful disclosure of inside information, and market manipulation are therefore prohibited.

All CTP staff (for the purpose of this policy including all CTP board members) must familiarize themselves with this policy and adhere to it. Non-compliance may lead to disciplinary measures including termination of employment, as well as severe regulatory or criminal sanctions.

For questions relating to this policy, please contact the Company Secretary at company.secretary@ctp.eu.

1. Scope and definitions

- 1.1** This policy applies to all persons working, under a contract of employment or otherwise, for CTP Group, including independent contractors (*zelfstandigen zonder personeel*) and Directors (each referred to in this policy as a "CTP Employee"). As indicated in this policy, certain parts of this policy only apply to a particular group of people within CTP, such as Directors and other PDMRs.
- 1.2** Certain capitalised terms used in this policy have the meaning set out in Annex 1 (Definitions) to this policy. All references in the male form should be understood to also include the female form.

2. Rules for all CTP Employees

2.1 Inside Information

Inside Information is a crucial term in this policy. In relation to CTP, Inside Information essentially refers to undisclosed information that could affect the trading price of CTP shares, bonds or other CTP Securities. Please see Annex 1 to this policy for its full legal definition.

2.2 No insider dealing

- 2.2.1** If a CTP Employee possesses Inside Information, he may not use that information to Deal, or attempt to Deal, in CTP Securities. A cancellation or amendment of an order concerning CTP Securities is also considered Dealing.
- 2.2.2** This prohibition does not apply if the CTP Employee Deals in discharge of an obligation that has become due in good faith (and not to circumvent the insider dealing prohibition or for any other illegitimate reason) and where (a) the obligation results from an order placed or an agreement concluded, or (b) the transaction is carried out to satisfy a legal or regulatory obligation that arose, before the CTP Employee concerned possessed Inside Information.

2.3 No unlawful disclosure or tipping

- 2.3.1** A CTP Employee may not disclose Inside Information to anyone else, except where the disclosure is made strictly as part of the CTP Employee's regular duty or function and the recipient of the Inside Information is under an obligation of confidentiality.
- 2.3.2** A CTP Employee may not whilst in the possession of Inside Information recommend or induce anyone to engage in Dealing in CTP Securities.

2.4 No Dealing during Closed Periods

- 2.4.1 CTP Employees may not Deal in CTP Securities during a Closed Period, regardless of whether they possess Inside Information.
- 2.4.2 A Closed Period is the period of 30 calendar days prior to the publication of CTP's annual financial statements and semi-annual financial statements, and at least 15 calendar days prior to its first and third quarter results.
- 2.4.3 The Company Secretary will communicate the specific dates of the Closed Periods on intranet or/and by e-mail. Any changes or additions will be announced in the same manner.

2.5 No Dealing in CTP Securities if on insider list

A CTP Employee may not Deal in CTP Securities if he is included on the insider list as a person having access to Inside Information (see clause 4 of this policy on the insider list), regardless of whether he possesses Inside Information, unless the Company Secretary has (a) indicated differently, or (b) granted dispensation in accordance with clause 2.8 of this policy.

2.6 No Dealing in CTP Securities in violation of CTP instructions

A CTP Employee may not Deal in CTP Securities when the Company Secretary has prohibited him from doing so, regardless of whether he possesses Inside Information.

2.7 No dealing in certain other listed companies

A CTP Employee may not Deal in financial instruments relating to other listed companies if the Company Secretary has prohibited him from doing so, regardless of whether he possesses inside information in relation to these companies or financial instruments.

2.8 Dispensation

The Company Secretary may grant a CTP Employee dispensation from any of the restrictions included in clauses 2.4 through 2.7, to the extent permitted by law. Any dispensation request must be made in writing stating the reasons for the request. Any dispensation from a prohibition granted by the Company Secretary is without prejudice to the statutory market abuse prohibitions, including the prohibition on insider dealing.

3. Additional rules for PDMRs, including Directors

3.1 Long-term investment

If a Non-Executive Director holds CTP Securities, he must hold these for long-term investment purposes. This obligation will continue to have effect until six months after the Non-Executive Director will have ceased to occupy that position with CTP.

3.2 Notifications by Directors

3.2.1 Each Director must notify both the AFM and the Company Secretary of the following at the time indicated:

- (a) **without delay: each change**, in number and/or type, in his share and/or voting interest in CTP. In this context, "share" also includes rights to obtain shares, such as options, but not bonds. A change in the type of interest will, for example, occur if an option is exercised and consequently shares are obtained;
- (b) **promptly and ultimately within 3 business days: every transaction** in CTP Securities (including, for the avoidance of doubt, bonds) conducted by him or on his account. A non-exhaustive list of transactions that must be notified is included in Annex 2 to this policy; and
- (c) **within two weeks of the appointment** as a Director: his **holding** in CTP shares or voting rights.

3.2.2 The notifications referred to under clauses 3.2.1(a) and (b) can be combined if and to the extent permitted by law.

3.3 Notifications by PDMRs other than Directors

Each PDMR other than a Director must **promptly and ultimately within 3 business days** notify both the AFM and the Company Secretary of **every transaction** in CTP Securities conducted by him or on his account. A non-exhaustive list of transactions that must be notified is included in Annex 2 to this policy.

3.4 Other rules relating to notifications for PDMRs

3.4.1 PDMRs must instruct any person arranging or executing transactions on their behalf, such as an individual portfolio manager, to timely inform them of any transaction or change that is notifiable under clauses 3.2 and 3.3 of this policy, or to make the required notifications on their behalf.

3.4.2 PDMRs must inform the Company Secretary of all persons that qualify as their Closely Associated Persons (see Annex 1 for the full legal definition of "Closely Associated Persons"). These persons include spouses, certain other relatives and certain legal entities managed or controlled by PDMRs or their Closely Associated Persons.

- 3.4.3 PDMRs must inform their Closely Associated Persons in writing (and keep a copy thereof) of their duty to notify the AFM and the Company Secretary promptly and ultimately within 3 business days of every transaction in CTP Securities.
- 3.4.4 The notifications referred to in clauses 3.2.1(b) and 3.3 of this policy do not need to be made until all transactions within a calendar year have reached a total amount of EUR 20,000 (calculated without netting). Any subsequent transaction must be notified as set forth in these clauses.
- 3.4.5 PDMRs and their Closely Associated Persons may request the Company Secretary to submit the necessary notifications to the AFM on their behalf. The request must be made in writing. The Company Secretary must have received the request before 12:00 hours CET on the business day prior to the intended date of the transaction (or other event triggering the notification requirement). The request must be accompanied by a draft containing all details (to the extent available) that must be notified to the AFM. On the date of the transaction (or other notification trigger event) the PDMR or their Closely Associated Person, as the case may be, must confirm (or amend or supplement) these details. The Company Secretary may pose additional requirements in order to ascertain due and timely notification to the AFM. PDMRs or their Closely Associated Person, as the case may be, will at all times remain responsible themselves for notifications to the AFM made on their behalf.

4. Insider list

- 4.1 Pursuant to CTP's legal obligations under the MAR, CTP will keep a list of persons who have or may have access to Inside Information (the "insider list"). The insider list is divided into separate sections relating to different Inside Information, as well as a section with the details of CTP Permanent Insiders. New sections will be added to the insider list upon the identification of new Inside Information. The various sections of the insider list will be maintained by either the Company Secretary or a person working on the relevant project or event.

- (a) to comply with CTP's legal obligations, including:
 - (i) keeping the insider list in accordance with the MAR;
 - (ii) complying with requests from the AFM, Euronext Dublin or another competent authority; and
 - (iii) controlling the flow of Inside Information, thereby managing CTP's confidentiality obligations;

 - (iii) protecting the corporate interests of CTP;
 - (iv) conducting legal proceedings; and/or
 - (v) holding or commissioning an inquiry into transactions conducted by or on behalf of a CTP Employee or a Closely Associated Person.
- 4.4** The insider list and all updates thereof will be dated. CTP will retain the insider list for a period of at least five years after it is drawn up or updated. If such data is necessary for an internal or external investigation, the resolution of a dispute or in connection with legal proceedings, CTP will retain the relevant data until the relevant investigation, dispute or legal proceeding has ended.
- 4.5** CTP will inform a CTP Employee of his inclusion in the insider list. A CTP Employee included in the insider list must acknowledge in writing that he is aware of his duties as set forth in this policy, as well as the applicable sanctions included and referred to in clause 6 of this policy.
- 4.6** CTP may provide information from the insider list to the AFM, Euronext Dublin or other competent authorities upon their request. Information of the insider list will not be supplied to other parties, except when required or allowed by law or if a legitimate interest of CTP requires this.
- 4.7** Persons included in the insider list are entitled to review their personal data as processed by CTP.

Additional duties may be granted by the Executive Directors as appropriate.
- 5.3** In exceptional circumstances, and only to the extent permitted by law, the Company Secretary may, in consultation with an Executive Director, grant a dispensation from prohibitions, restrictions, or obligations under this Policy.

Such possible sanctions include termination of the (employment) agreement with the person involved, by way of summary dismissal or otherwise.
