REGIONAL BENEFITS

Gateway to the EU Market

CTPark ROT1 is located on business park Nieuw Reijerwaard in the Dutch province of South-Holland. This highly sustainable industrial area is called Dutch Fresh Port. It is situated in the Metropolitan Area Rotterdam - The Hague, with a population of 2.7 million.

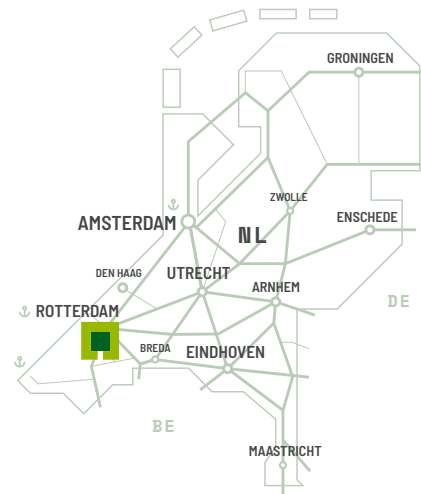

The largest European port (Port of Rotterdam) serves as the gateway to the EU Market. Many international organizations reside within its borders, creating a talented and highly skilled workforce, attracting national and international business. Moreover, the Greater Rotterdam area has been recognized as the fastest-growing logistics hotspot of 2022, further enhancing its regional appeal.
