Prime Location for Thriving Businesses

As the market leader in the European and Hungarian industrial and logistics real estate sector, CTP is developing a new logistics park on a 70-hectare site at the border of Budapest's 22nd district and Érd. In the first phase, nearly 80,000 square meters of warehouse space will be completed by the end of 2025. This development prioritizes sustainable solutions, reflecting CTP's commitment to environmentally conscious investments and the utilization of renewable energy. The project is designed to meet strict ESG criteria and aims to achieve BREEAM certification. Additionally, it supports the preservation of the surrounding natural environment and biodiversity, ensuring a harmonious integration with its surroundings.
